

Skip-payment Request

Complete this authorization to skip your qualifying November, December or January payment(s). Not available for credit card, Right Choice loans, or real estate payments. Mail, scan and email, bring or fax it to us ten days prior to your due date. Call us or email info@GulfCoastFCU.org if you have questions.

I want to skip payments as indicated below (one month per loan maximum)

Skip: November December January

Skip: November December January

Skip: November December January

Skip-payment authorization

I would like to skip my regular November, December or January Gulf Coast FCU loan payment(s) that I've listed. I understand my loan(s) must be current, at least six months old, that interest will continue to accrue, and this will extend the term of my loan. I also understand there is a \$30 processing fee for each loan skipped. This offer does not apply to credit card, Right Choice loans, or real estate payments. If you have a GAP policy, you are allowed two (2) skip payments per the original terms of the loan. All payment skips are subject to approval.
